Why Homeric Tours is the Best Choice to Greece

Thank you for your assistance the past two years in getting this young couple finally to Greece. They had excellent feedback on their tour and the helpfulness of the local Homeric representatives and guides. They said they went above and beyond in assisting them and making them feel comfortable. They even offered their WhatsApp contact in case of any issues. They said the hotels were fantastic and the excursions through Homeric were excellent. There was not one negative thing at all. SO BIG THANKS! Homeric did a fantastic job and made me also look very good. I can't wait to plan more travel with you.

– JENNIFER B., TRAVEL ADVISOR,
CORAL SPRINGS, FL

Just a little short note to thank you for the spectacular trip that you planned for us!! It exceeded our expectations! Everything went smoothly with no issues whatsoever. All of the staff that we encountered along the way were fantastic, nice and caring people who made our stay so memorable . I'm sure that our paths will cross again in future travels!

–LORENA R., FORT MYERS, FL

Thank you to the Homeric family for giving prompt service and making the necessary corrections when needed, It's been an amazing journey working together on the Greece group trip. Knowing we selected the best supplier to get the job done made a huge difference for our customers' experience . Kudos to everyone! Look forward to many more bookings in the future. Thank you!

– LESHUNNA, TRAVEL CONSULTANT
LAS VEGAS, NV

We have returned from Europe! I just wanted to thank you again! The transfers and tour of the Acropolis and the museum were excellent! I was very surprised to be greeted upon arrival at our hotel in Athens by one of your reps! On the day we were departing, again one of your reps met us in the hotel lobby. Outstanding service! I am going to highly recommend your company to everyone at Cruise Planners and will definitely use you again!

Small Group Escorted Tours

Some people like having all things planned for them. They like to wake up, knowing what the days is going to bring and that someone is there planning the daily activities, checking all the arrangements and is available to answer questions. Our escorted tours offer just that. Our experienced Tour Leaders not only know their homeland Greece, like their own backyard, but also are passionate about introducing it to Homeric guests. We picked perfect itineraries to combine sightseeing with relaxation. We carefully selected the hotels and restaurants to create a one of a kind experience. We also thought about avoiding the impersonal travel in a large group, so our Escorted Tours accommodate a maximum of 16 people. Turn the page, start reading, it is all ready for you... you can simply pack and relax. Let us do the rest.

HOMERIC PACKAGES

Country Combinations

What can you do in two hours? It seems like not too much, but in Europe you can move from one country to another. You can change not only the view, but also the culture, language and cuisine. The wonderfully diversified "Old Continent" gives travelers that unique opportunity to experience contrasting landscapes, colorful folklore and complicated, yet fascinating history within a small geographic area. It is truly amazing to be able to witness the difference in personalities, to understand the nuances of the religion and compare styles of architecture. This is why we encourage you to combine your Greek experience with stays in Italy or possibly even with visiting another continent by booking packages to Holy Land, Egypt or Jordan. Why not enrich your stay if another world's wonder is only a few hours away?

REFUNDS: Applications for refunds must be submitted in writing to HOMERIC TOURS, INC., within 15 days of tour termination. Processing will take from six to eight weeks from the date HT receives relevant documents. There will be no refunds for unused package tour services or features, including missed transfers due to airline changes and/or missed flights, unused meals, missed sightseeing tours, unused entrance fees and accommodations.

PASSENGER NAME: Passengers are responsible to ensure that the names printed on the invoice exactly match the first and last name written in their passport. Any name change may require airline reservations to be canceled and rebooked. Reservations are subject to availability at the time of rebooking. Passengers will be required to pay airlines rebooking fee of up to \$350 plus the difference in the airfare (if applicable). Homeric Tours will not be held responsible for the denial of services by a carrier due to any name discrepancy. **SPECIAL REQUESTS:** We will be happy to advise hotels and cruise lines of any special request.

AIRLINES: Once issued, tickets are nonrefundable. Foreign airline schedules and flights are subject to change without notice. Airlines reserve the right to demand immediate issuance of tickets whenever they determine that necessary. In that case, HT will require immediate full payment of the airfare portion and taxes. This situation overrides invoice terms and conditions and payment due dates. If full payment is not received, seats will be cancelled by the airline and may not be available to be rebooked on the same flights or at the same airfare. Any replacement of air arrangements and any additional cost of airfare will be the sole responsibility of the passenger.

HOTELS: Hotels accommodations will be provided in accordance with the itinerary or similar. We reserve the right substitute hotels of equal category. All rooms are twin-bedded rooms with private facilities, unless an upgrade was requested. Room selection is at the discretion of the hotel. Triple rooms consist of a standard twin bedded room plus a sofa, folding bed or cot for the third person.

BAGGAGE: The less you bring with you, the better; we recommend that you take along one suitcase per person, plus a small overnight bag. On land, due to limited motor coach capacity, we request that only one bag per person be carried on motor coaches. If additional baggage is carried (other than overnight bag) a supplementary charge of \$2.00 per additional suitcase per "lift" will be levied according to the number of lifts. Baggage charges apply according to each airline's rules. You may visit the foreign airline's website to view the specific baggage fee information. Baggage is carried at owner's risk and baggage insurance is strongly recommended.

PORTERAGE: Porterage of one suitcase per person is provided in our tours. However you should know that strict security precautions in Greece, especially going through Customs inspections, on entry or exit points, demand that you carry your personal piece of luggage for

the Customs official. This procedure is seriously enforced in Greece and there are no exceptions to the rule. We ask that you bring with you only a small carry on piece and one suitcase. Both pieces you should be able to carry on your own, where necessary, when the law, for your own protection, demands it. This will be in Customs and security areas such as ports and airports. Our own people will be there beyond these areas to assist you. Also portage is not always available on the islands and especially in Santorini.
